Linda Oberlender Memorial Jump Dedication

Green Hill Park Equestrian Center, Salem, VA

Please join us for a day of celebrating Linda's life and contributions to the horse community.

Park opens at noon. Riders do not have to have a park membership for the day, but they must sign a release before riding. Everyone is welcome to enjoy the park for the day by riding and remembering Linda.

At 2pm everyone should be mounted and we will gather around the beautiful jump that Bernard Hylton crafted. Shaina (Linda's daughter) will be the first to jump the new jump. We will have a photographer on the grounds and want the mounted riders in the background for the picture of Shaina jumping the jump for the first time. We would love for everyone to dress to support their connection to Linda – fox hunting, Pony club, BREA, SWVADA, etc. attire and saddle pads.

At 3pm we will have a hunt style breakfast. Bring your own beverage (no alcohol in the park) and finger food to share with the group. There is a refrigerator and microwave at the park. Please bring Linda's artwork, pictures, etc. that the group can enjoy while telling stories and remembering Linda.
